

Meeting of Sambad Samuha Dang

One day meeting on the date February 18, 2020 of Sambad Samuha members has been conducted in Dang. The meeting hosted by Sambad Samuha Secretariat office is done on the peace circle process. The intensive discussion was made on two major issues of province no. 5 i.e. the declaration of Capital City and two districts; Banke and Bardiya separation from province no. 5. Besides that the members discussed about issues selection process for the dialogue and the formation/reformation of Sambad Samuha.

In the discussion on the issue of Capital City declaration Sambad Samuha has made strategy of organizing separate district dialogues in different levels. Likewise on the other agendas, Sambad Samuha has agreed to concentrate to relation building and accountability of local level as well as empowerment for increasing access of marginalized and minorities groups on development rights. The meeting has also set up

plans to carry out series of dialogues on identified issues such as strikes, boundary separation, center selection, policy formation and implementation in different level of government (Local, Province and Federal). Additionally, authority division and use of natural resources among the different level of governments along with dispute raised on different level of government for the quality education are also other issues to be facilitated. Likewise Sambad has discussed about the reformation of dialogue groups continuing GESI strategy.
